

CITY OF WASHBURN QUARTERLY NEWSLETTER

Fall 2022

FROM THE MAYOR'S DESK

Happy Fall!

It's Important to Have Goals

It's also important to check in on your progress on those goals periodically. The City Council sets goals at the beginning of each year. They are posted on the website under "City Government/Agendas & Minutes" before the City Council agendas.

Here is a list of the 2022 Goals/Projects with a brief update on each one:

- Bayfield Street Reconstruction – we are on schedule for Phase 1 planning and beginning planning for Phase 2
- Ambulance Staffing – Interviews are scheduled, and we are expecting to have 2 EMTs begin work in January.
- Brokedown – This project is taking longer than anticipated. Next steps to be determined.
- Sewer Line Reroute – This work has been completed. In addition to allowing the Iron Works to proceed with an expansion, this project now provides better circulation of water as well as a water source for the ballfields and skating rink.
- West End Park Campground Expansion Planning – We are in the midst of this.
- Comprehensive Plan – The Plan Commission is making good progress on this.
- Sidewalks – Still hoping to have an inventory completed before snow season.

THANK YOU!

Nearly 100 people attended the unveiling of the commemorative plaque at the ballfields on September 18th.

It Takes a Village...

There are many individuals and organizations that have contributed time, energy and resources to projects in the community over the years and for that we are all very grateful.

I'm glad we recently had the opportunity to acknowledge one of those individuals for his tremendous contribution. Niles Eilertsen coached youth baseball for 30 years in Washburn. Nearly 100 people attended the plaque unveiling ceremony, where he had plenty of great stories to tell about shifting gears and improvising to accommodate different situations as they arose. Niles' efforts are the perfect example of a "can do" attitude and instead of letting challenges become obstacles, he just made it work.

The plaque says "In Grateful Recognition of Niles Eilertsen – For your many years of teaching, inspiring, encouraging and challenging the youth of our community. Your dedication, leadership and principles have truly made a difference in our children's lives and is a model for all. You will have a lasting effect on our community." Thank you, Niles!

Be well,

Mayor Mary Motiff
