

CITY OF WASHBURN

QUARTERLY NEWSLETTER

Winter 2021

FROM THE MAYOR'S DESK

Looking back, looking ahead

We have had some long serving community members retire from their positions recently:

- John Baregi - Plan Commission (8 years), Harbor Commission (6 years); also served on city council; sadly, John recently passed away.
- Adeline Swiston - Plan Commission (10 years), also served on city council
- Dan Clark - Ambulance Service Director (24 years!), also served on city council

It is at times like these, when candidates are being reviewed to fill these various positions, that I am reminded of how grateful I am for the participation of community members on all of our boards, committees, and commissions, and those who serve on council. It takes all of us working together in many different ways to make the city run and it wouldn't happen without all of the meetings and discussions that go into making the necessary decisions and taking action to move us forward.

Despite some serious challenges, it's been a good year in a lot of ways:

- New docks at West End Park; North 10th Ave West repaved
- Habitat restoration along the lakeshore path
- Library looks great with new tuckpointing/cleaning
- Continued planning for Bayfield St. reconstruction & working on Comp Plan update
- Planted a new tree for Arbor Day with the help of the WHS Ecology Club
- Jeremy Clapero celebrated 20 years with the Police Dept.
- We welcomed Arianna Austin as a part-time administrative assistant

I look forward to working on the many issues and challenges that lie ahead. There are no easy answers or solutions for some of them, but it is an honor to be a part of the process.

Washburn is...

In the quest to define Washburn's identity as a community, we have gone through a process of "Community Branding" led by UW-Madison Extension staff with a committee of local residents. Here are just a few quotes from the survey that was done showing what people would like the world to know about Washburn:

- Friendly "home town" feel. Surrounded by the beauty of nature. Recreational opportunities abound.
- Friendly, easy to get around in, and easy to get to know the community, a safe place to live and raise a family.
- Full of creative, interesting people, and in the middle of a beautiful environment on all sides.
- Kindness lives here.
- Loving and quiet community that values nature and kindness on big lake.

You can see all of the comments along with the results in the final report when it is presented in late January. Wishing everyone health and peace in the New Year!

- Mayor Mary Motiff

Received recognition recently for our participation in a solar project with 4 other local entities, coordinated by Cheq Bay Renewables who received a WI Rural Initiative award.

CITY OF WASHBURN 2022 ROUTING PICK-UP SCHEDULE

WEST OF WASHINGTON AVE:
Recycle: Every Other Monday - A Week
Trash: Tuesday
