TREATMENT PLANT SOLAR PHOTOVOLTAIC (PV) SYSTEM DESIGN AND INSTALLATION PROJECT 405 South 10th Avenue West City of Washburn, Wisconsin

Notice is hereby given that sealed bids will be received by the City of Washburn until **2:00 PM, Tuesday, April 16, 2019**, according to the clock on the wall at the Washburn City Hall. The Bids will be publicly opened and read aloud for the furnishing the design and installation of a solar photovoltaic (PV) system totaling 100 kilowatts (total ac rated inverter capacity). Detailed specifications and requirements are outlined in the bid documents.

Base Bid – Includes design, installation, and material costs.

Add Alternate Bids

1. A five-year system maintenance contract, extendable up to 30 years.

Bids shall be on the forms provided for that purpose and according to the Contract Documents prepared by the City of Washburn, 119 Washington Avenue, Washburn, Wisconsin 54891, (715) 373-6160 ext. 4, dated March 7, 2019. An e-mail request for the documents can also be sent to washburnadmin@cityofwashburn.org.

Bid security in the amount of ten (10%) percent of the bid must accompany each bid in accordance with the Instructions to Bidders.

A mandatory bidders conference is currently scheduled for April 3, 2019.

The City of Washburn reserves the right to reject any and all bids or to accept any bid deemed for the best interests of the City, and waive any formalities in bidding.

On Behalf of the Common Council,
Scott J. Kluver, Administrator
