

TIPS FOR A SAFE HALLOWEEN

DO

- Watch scary movies and make Halloween treats as a family
 - Decorate your home and yard or set up a drive-through haunted house
 - Participate in a "trunk-or-treat" event
- Have a virtual costume contest with family and friends

DON'T

- Attend large outdoor in-person gatherings
 - Traditional door-to-door trick-or-treating
- Travel to other neighborhoods/towns for trick-or-treating
 - Attend in-person indoor parties and celebrations
 - Socialize at the bars for extended periods of time

REMEMBER: Standing within 6 feet of each other for 15 minutes or more is risky even when outdoors.
