City of Washburn
Notice of Annual Tree Trimming in Right of Ways

City Crews will be starting to trim and clear branches/shrubs per City Ordinance in the streets and alleyways.

The Crews will be performing their duties as assigned by Director of Public Works/Forester, as crews move through the city streets and alleyways, any concerns or comments need to be directed to Director of Public Works.

Please allow crews to perform their duties as assigned. You may contact Director of Public Works/Forester, 715-373-6171, with any questions.

Per Chapter 6-4-7 of Code of Ordinance related to trimming any and all branches, limbs, trees will be kept clearance of less than 14 feet roads and alleyways. No tree shall be allowed to obstruct public lighting. See city ordinance Title 6 Chapter 4 for complete definition of scope of work.

Thank you for your cooperation in advance for helping maintain City's streets, alleyways, and right of ways.
