City of Washburn Municipal Ordinances (Circle all that apply)

		Costs
Section:	6-2-3 Street Opening Permit	\$ 10.00
	6-2-4 Street Repaving (ESTIMATE)**	\$ 1,200.00
	9-2-5 Sewer Connection Fee	\$ 800.00
	Water Connection Fee	No Charge
	Inspection Fee	\$ 100.00
	Other: _____	\$ _____

Amount Due Prior to Project Commencement

Every effort will be made to keep cost as close as possible to the estimate. The owner/ contractor will provide a safe site for the work and inspection of the construction. Any additional work deemed necessary for safe working conditions will be performed immediately at no additional costs to the City of Washburn. The crushed gravel for the work must be a minimum of 12 inches in depth for the disturbed area. The depth of asphalt must be 3 inches hot mix laid with a commercial paver as approved by the Public Works Director. Any additional materials deemed necessary above those normally used for construction shall be provided by the owner/contractor at no cost to the City of Washburn. Curb and gutter, sidewalk and boulevard restoration are the responsibility of the owner/contractor and are no part of these cost.

****NOTE:** The fee for repaving is an ESTIMATE based on 120 sq. ft. of paving. The final costs will be determined once repaving is completed.
